Summary

I am currently working as Software Engineer at Zensar Technologies from June 2019.

I have skillsets in Python, Hadoop, Asp.Net, Oracle, MSSql, and Android. My area of interest is Machine Learning and

Artificial Intelligence. I am doing competitive coding for more than 4 years.

I am a highly motivated and dedicated person towards my career with command over my coding and interpersonal skills.

I have solely completed many regulatory projects.

My colleague and seniors have commended me for my willingness to participate and my dedication to helping out where possible.
